## **Background**

The following would be the dates that need to be added to the list of Commission approved Letting dates. Just so everyone sees all the lettings, I have also included the previously scheduled dates. The new dates are in Red, the already scheduled in black. If we need to go into May, we will need to move the scheduled May 21st letting to May 28th and add a May 14th letting, but at this point we only have 2 projects in May. All these dates are scheduled in the Auditorium now.
