Montana Contractors' Association (MCA) names 2019 president, board of directors

The Montana Contractors' Association (MCA) announced this week that Trevor Livesay, Bozeman, was voted by the association's membership to serve as president of the MCA Board of Directors in 2019.

Livesay is president of Montana Lines, with offices in Great Falls and Bozeman, and has been on the MCA board for five years. Prior to that he led the MCA-MDT Highway Technical Committee. Livesay graduated from Montana State University in 2001 with a Bachelor of Science in Industrial and Management Engineering, and is a certified professional engineer. Both of Livesay's parents – Bob and Jan – have also held the office of president for the MCA.

In addition, MCA membership elected Bob Warren of Columbia Falls (Schellinger Construction), to serve as vice president, and Marty Schuma of Helena (Dick Anderson Construction), to serve as treasurer.

New members to the board are Cale Fisher of Missoula (Riverside Contracting), Bill Langlas of Bozeman (Langlas and Associates), and Corey Crum of Helena (First Interstate Bank). Returning directors include Michael Jackola of Kalispell (Hammerquist-Casalegno), Andy Mathison of Lewistown (Casino Creek Concrete), and Mike Waldenberg of Great Falls (Central Plumbing, Heating and Excavation).

*The **Montana Contractors' Association**, a chapter of the Associated General Contractors of America (AGC), is a trade organization representing commercial, industrial and public works construction firms. Learn more at www.mtaqc.org.*
